Step 3 – Password Reset

Your password reset has been completed successfully. You can use your CIU-NET account with your new password.

Please consider the followings before setting a new password:

- Length must be at least 10 characters
- Must contain at least one uppercase letter, one lowercase letter and one number
- Different from last two passwords
- Turkish characters are not allowed
- Must contain at least one special character (e.g. !";#)\$)
